COPIES	DATE	NO.	DESCRIPTION
2	April 2001		Workplan for Supplemental Investigation

These items are transmitted as checked below:

### Remarks

The enclosed Workplans include responses to agency review comments on the *Evaluation of Remediation of Groundwater by Natural Attenuation* prepared by RMT in May 2000, and a scope of work and QAPP for supplemental investigation of natural attenuation of dissolved constituents in groundwater at the L.E. Carpenter site.
